

## SURAJ BERA

Tollygunge • Kolkata, 700040 • [berasuraj08@gmail.com](mailto:berasuraj08@gmail.com) • 7002034650 • [SurajBera.com](https://SurajBera.com)

*Creative developer building immersive digital experiences with code, design, and a touch of 3D.*

### Projects

#### LUXE - 3D Luxury Car

##### Experience

[Live link](#)

- Designed and developed an immersive 3D luxury car showcase using **React**, **Three.js**, **GSAP**, and **Tailwind CSS**.
- Implemented cinematic intro animations, realistic car lighting, and interactive studio mode for an engaging user experience.
- Optimized 3D model rendering and performance for smooth operation on both high-end and low-spec devices.

#### Portfolio Project

[Live link](#)

- Built a fully responsive and animated portfolio using **React**, **GSAP**, and **Tailwind CSS** with smooth page transitions and section-based animations.
- Showcases featured projects like **LUXE**, **Zajno**, **Planets**, **E-Commerce**, **Medium clone**, etc also emphasizing 3D visuals, interactivity, and clean UI/UX design.

\*More projects are in my portfolio website, check them out
